

3 Pennsylvania Place Ottumwa, Iowa 52501 641-683-3372

May 20, 2021

The facility would like to advise our residents and staff that an employee tested positive for COVID-19 during routine surveillance testing. Because of this finding, we will be testing all staff twice a week and residents once a week, per CMS recommendations, for the next two weeks.

All visitation is suspended until all residents and staff test negative.

We apologize for any inconvenience but we will do everything possible to protect everyone including residents, staff and families.
