

3 Pennsylvania Place Ottumwa, Iowa 52501 641-683-3372

June 22, 2020

We are happy to report that one more resident has recovered and released from our isolation area.

Public Health reported that another employee has tested positive. That employee is required to quarantine at home and can not return to work for a minimum of ten days and symptoms have resolved. We continue to ask that all of our employees make wise decisions by wearing their PPE at work, have good hand hygiene and use social distancing while in the community.

Thank you again for your support.
