

3 Pennsylvania Place Ottumwa, Iowa 52501 641-683-3372

May 26, 2020

We currently have nine new positive cases among our residents for a total of 17 in-house, two hospitalized and one death.

No further employees have reported testing positive and continue to have a total of 5 employees previously reported positive. Many have reported no symptoms.

We will continue daily monitoring and weekly surveillance of our residents. Staff are monitored at the beginning and end of their shifts for symptoms and encouraged to be tested at Test Iowa.

We continue to work closely with Wapello County Public Health and Iowa Department of Public Health and follow the recommendations of the CDC. The Iowa State Ombudsman's Office contacted us today and offered their support.

Thank you for your continued support during this time.
