We currently have no new positive cases among our residents. They will be retested soon and some of those residents are expected to be cleared as recovered.

We currently have no new positive cases among our staff. They are continuing to utilize Test Iowa and we are getting many negative results.

We are deeply saddened to say that we have one more resident that has passed away in our facility, bringing our total deaths to four.

We are in daily contact with Wapello County Public Health, Iowa Department of Public health and the Department of Inspections and Appeals for the state of Iowa. We continue to follow all recommendations from those Departments and of the CDC.
