May 23, 2020

We currently have no new positive cases among our residents.

We continue to encourage our staff to utilize the Test Iowa Site. Test Iowa is now open to the public. Many results continue to come back negative. We had one employee test result come back positive today.

We have a total of 4 employees that have tested positive. They continue to self-quarantine at home per Wapello County Public Health and Iowa Department of Public Health Guidelines. Wapello County Public Health is monitoring their health status.

Thank you for your continued support during this time.
